Dear Sir or Madam:

The extension issued for pit closure expired November 10, 2008. We have not received a Closure of Surface Pit, form CDP-4, for this pit. Please notify this office of pit closure or the purpose for needing an additional extension. In the event an additional extension is requested, an inspection by district staff will be necessary to determine what process might be applied to aid expedient closure of the pit. Failure to file or timely file the pit closure form or request an additional extension, within 14 days of the date of this letter, may result in an administrative penalty.

Conservation division forms are available through our office and on the KCC web site:  
<http://kcc.ks.gov/conservation/forms/>

Your cooperation is appreciated. If you have any questions or concerns feel free to call me at (316) 337-6243.

Sincerely,

Permit No. 15-025-21420'-00-00

Dear Sir or Madam:

This letter is written to inform you that you have been granted an additional extension of time in which to close the haul off pit associated with the YBC lease.

This extension will expire on November 10, 2008. I urge you to make every effort to close this pit within this time frame. Extension of this time frame automatically extends the time period for filing the surface pond closure form.

If you have any questions in this regard, please do not hesitate to contact Kathy Haynes at (316) 337-6243.

Sincerely,

Doug Louis

Gentlemen:

The above pits were inspected by our field superintendent on September 4, 2008. At that time the pits were not sufficiently dry to backfill. In addition, it has rained since the inspection. At this time we ask for an extension of six (6) months to close these pits.

Thank you for your cooperation in this matter.

Sincerely,

FALCON EXPLORATION, INC.
