LEGAL: 900'FSL-1385'FWL 05-09S-22W  
COUNTY: GRAHAM  
API NO: 15065233360000

Dear Ms. Davis:

This letter is to inform you that you have been granted an extension of time in which to close the drilling pits associated with the drilling of the Rice 5-C 1 well.

The original 365 days for closure expired August 23, 2008. This extension will expire June 23, 2009. We urge you to make every effort to close these pits within this time frame. In the event there is water standing in these pits, please dewater and dispose of fluids in an authorized disposal facility to expedite closure. Extension of this time frame automatically extends the time period for filing the Closure of Surface Pit form.

*Failure to close the pit or request an additional extension prior to the expiration date may result in a fine in accordance with K.A.R. 82-3-602(a). An additional extension will only be granted for good cause and after K.C.C. field staff has made an inspection of the site. Should field staff discover that said pit has been closed before the date of extension request, an administrative penalty may be assessed to you through K.C.C. invoice.*

If you have any questions in this regard, please do not hesitate to contact Jonelle Rains at (316) 337-6226.

Very sincerely yours,

Doug Louis

Dear Jonell

We will need another extension on the Rice 5C #1  
API # 15-065-23336-0000 Lease for filling the pits.  
Legal is NW SE SW Sec 5-9-22 W in Graham County.  
This pit was checked by our pumper on 1-26-2009.  
It still had 6 to 8 inches of water in it.  
Please grant us another extension. Thank you

Sincerely

Marilyn Davis
