RE: LEASE: BURKHOLDER 1-28  
LEGAL: 510'FNL-2110'FWL 28-32S-07W  
COUNTY: HARPER  
API NO: 15007215890000

Dear Ms. Davis:

This letter is to inform you that you have been granted an extension of time in which to close the drilling pits associated with the drilling of the Burkholder 1-28 well.

The original 365 days for closure expired August 17, 2008. This extension will expire July 9, 2009. We urge you to make every effort to close these pits within this time frame. In the event there is water standing in these pits, please dewater and dispose of fluids in an authorized disposal facility to expedite closure. Extension of this time frame automatically extends the time period for filing the Closure of Surface Pit form.

*Failure to close the pit or request an additional extension prior to the expiration date may result in a fine in accordance with K.A.R. 82-3-602(a). An additional extension will only be granted for good cause and after K.C.C. field staff has made an inspection of the site. Should field staff discover that said pit has been closed before the date of extension request, an administrative penalty may be assessed to you through K.C.C. invoice.*

If you have any questions in this regard, please do not hesitate to contact Jonelle Rains at (316) 337-6226.

Very sincerely yours,

  
Doug Louis  
Director

RE: Extension of Closing Drilling Pits

- Burkholder 1-28 (Harper County, KS)

To Whom It May Concern:

We are unable to close the pits on the Burkholder 1-28 located 510 FNL – 2110 FWL in Section 28-32s-07w in Harper County, KS because they are still to wet. Also with in the last week they received another 2 inches of rain. Our last extension expired on December 16, 2008. I am asking for another 4 month extension to close this pit until April 16, 2009.

If you have any questions, please call me at 620-275-2963.

Sincerely,

Nancy E. Davis  
Compliance Coordinator
