RE: LEASE: COBB 1-21
LEGAL: 3940'FSL-1720'FEL 21-30S-18W
COUNTY: KIOWA
API NO: 15097215990000

Dear Mr. Roberts:

This letter is to inform you that you have been granted an extension of time in which to close the drilling pits associated with the drilling of the Cobb 1-21 well.

The original 365 days for closure expired August 1, 2007. This extension will expire June 30, 2008. We urge you to make every effort to close these pits within this time frame. In the event there is water standing in these pits, please dewater and dispose of fluids in an authorized disposal facility to expedite closure. Extension of this time frame automatically extends the time period for filing the Closure of Surface Pit form.

Failure to close the pit or request an additional extension prior to the expiration date may result in a fine in accordance with K.A.R. 82-3-602(c). An additional extension will only be granted for good cause and after K.C.C. field staff has made an inspection of the site. Should field staff discover that said pit has been closed before the date of extension request, an administrative penalty may be assessed to you through K.C.C. invoice.

If you have any questions in this regard, please do not hesitate to contact Jonelle Rains at (316) 337-6226.

Very sincerely yours,

Doug Louis
Director

Re: Drilling Pits
Cobb Lease (Cobb #1-21)
E/2 W/2 NE/4
Sec. 21-T30S-R18W
Kiowa County, Kansas
API # 15-097-215990000

Dear KCC,

Please let this letter serve as a request for extension of time to close the referenced drilling pits. The pits were inspected on January 30, 2008 by a representative of D&J Dirt as well as the landowner. They both concurred that the pit is still too wet to fill properly. We will be cutting additional windows and pulling free fluids by the end of next week. We are estimating that the pits can be closed by the end of June, 2008.

Sincerely,

Kent Roberts
