RE: Esplund Farms 1-29 (Clark County, KS)
SW SW NW 29-30-23

Dear KCC,

Attached is a copy of an "Application for Surface Pit" on the above-referenced well. We were suppose to have this pit closed by November 24, 2007. However, after talking with our supervisor, this pit is still to wet to close.

I am asking for a 3 month extension for the closer of this pit until 2-24-08.

If you would have a question, please feel free to give me a call at 620-275-2963.

Sincerely,

Nancy E. Davis
Compliance Coordinator
