Re: Haul-Off Pit Extension
Allen (Komarek #25) Lease Well No. 9
Sec. 30-22S-11W
Stafford County, Kansas
Permit No. 15-185-23483 - 00 - 00

Dear Sir or Madam:

This letter is written to inform you that you have been granted an extension of time in which to close the haul off pit associated with the Allen (Komarek) lease.

This extension will expire on February 18, 2009. I urge you to make every effort to close this pit within this time frame. Extension of this time frame automatically extends the time period for filing the surface pond closure form.

If you have any questions in this regard, please do not hesitate to contact Kathy Haynes at (316) 337-6243.

Sincerely,

A handwritten signature in black ink that reads "Doug Louis". The signature is written in a cursive style with a large, prominent "D" and "L".

Dear Ms. Rains,

Wet
In reference to your letter dated November 26, 2008 regarding the Komarek #25 {API#151852344000} surface pit (Sec.30-22S-R11W, Stafford County) LaVeta Oil & Gas is requesting an extension for the pit closure. We have partially closed the pit, however due to wet weather we are unable to finish the job. If you could allow us until the summer of 2009 (hopefully through a somewhat dry winter and spring) we will do whatever needs to be done to complete the closure.

Also, we apologize for not contacting you sooner. In the letter we sent to you dated June 3, 2008 we requested an extension till October 1st and we let the necessary paperwork slip our attention and thereby did not get out a request for another extension.

Should you have any questions you may contact me at 620-458-9222.

Sincerely,
Bennie C. Griffin
