RE: Johnson-Parker Workover Pit Extension

Dear Kansas Corp. Commission:

This letter is to request an additional extension on the work over pit at the Johnson-Parker #1 lease. I spoke with Kathy Haynes and she granted the extension and requested that we send a letter to inform the Commission. We are currently working on getting the various tools that are stuck in the hole and get the well back producing. Please feel free to contact me with any question you may have at 620.672.9001.

Thank you,

RE: Closure of Work-over Pit
Johnson Parker 1 Lease
Sec 18-25-16W
Edwards County, Kansas
API: 1504720221

To Whom It May Concern:

Please accept this letter as a request for an exception for the closure of a work-over pit for the Johnson-Parker lease located in Edwards County, KS. We still currently have a work-over unit on location utilizing the pit. The crew has pipe stuck in the hole and in conjunction with Kansas Fish and Tool we are working diligently to get the work-over completed. Please accept the letter as a request to reissue the work-over pit. Once the work-over has been completed and the well is back on line I will send a CDP-4 form. Thank you for your time.

Sincerely,

Kevin Fischer
Production Technician
