Re: Workover Pit Extension
EP Gurney Lease Well No. 9
Sec. 23-14S-14W
Russell County, Kansas
Permit No. 15-167-06011- 00-00

Dear Sir or Madam:

This letter is written to inform you that you have been granted an extension of time in which to close the workover pit associated with the EP Gurney lease.

This extension will expire on June 22, 2009. I urge you to make every effort to close this pit within this time frame. Extension of this time frame automatically extends the time period for filing the surface pond closure form.

If you have any questions in this regard, please do not hesitate to contact Kathy Haynes at (316) 337-6243.

Sincerely,

Doug Louis
Director

Re: Work-over pit
E.P. Gurney #9

RECEIVED
KANSAS CORPORATION COMMISSION

APR 08 2009

CONSERVATION DIVISION
WICHITA, KS

6/22/09

Dear Ms. Haynes:

The work-over pit at the E.P. Gurney #9 has been open nearly one year. We have casing on the location to run a liner upon having to pull the well. The work-over pit has a fence around it, and therefore poses no danger to livestock or humans. We request a six month extension of time to finish our operations and close the pit.

Thank your for your consideration.

Sincerely,

Terry E. Morris

Re: Closure of Work-over Pit
EP GURNEY 9 Lease
Sec. 23-14-14W
RUSSELL County, Kansas
API No. 15167060110000

Dear Sir or Madam:

The above referenced work-over pit was permitted on 4/22/2008. Work-over pits shall be closed within 365 calendar days after work-over operations have commenced. The work-over pit in question must be closed by 4/22/2009. Should an exception be warranted, it must be received by 4/22/2009.

A Closure of Surface Pit, form CDP-4, should be filed within 30 days after the work-over pits are closed. Conservation division forms are available through our office and on the KCC web site: <http://kcc.ks.gov/conservation/forms/>. Failure to timely close the pit, file an extension or file the form within the allotted time periods may be punishable by an administrative penalty.

If you have any questions or concerns, please contact the undersigned at (316) 337-6243.

Sincerely,

Kathy Haynes
Department of Environmental Protection and Remediation
