RE: LEASE: DEWEY 2-18  
LEGAL: 2600'FNL-425'FEL 18-21S-13W  
COUNTY: STAFFORD  
API NO: 15185234360000

Dear Ms. Davis:

This letter is to inform you that you have been granted an extension of time in which to close the drilling pits associated with the drilling of the Dewey 2-18 well.

The original 365 days for closure expired May 4, 2008. This extension will expire February 6, 2009. We urge you to make every effort to close these pits within this time frame. In the event there is water standing in these pits, please dewater and dispose of fluids in an authorized disposal facility to expedite closure. Extension of this time frame automatically extends the time period for filing the Closure of Surface Pit form.

*Failure to close the pit or request an additional extension prior to the expiration date may result in a fine in accordance with K.A.R. 82-3-602(c). An additional extension will only be granted for good cause and after K.C.C. field staff has made an inspection of the site. Should field staff discover that said pit has been closed before the date of extension request, an administrative penalty may be assessed to you through K.C.C. invoice.*

If you have any questions in this regard, please do not hesitate to contact Jonelle Rains at (316) 337-6226.

Very sincerely yours,

  
Doug Louis  
Director

RE: Closure of Surface Pit (Form CDP-4)

- Dewey 2-18 (Stafford County, KS)
- API# 015-185-23,436

Dear KCC,

The "Closure of Surface Pit" Form CDP-4 is due on this well August 31, 2008. After visiting with our contractor today, he said the pit is still not closed and is wet. He also stated that the surface owner is requiring us to have him present when it is closed and that he wants it completely dry before we try to close it. We are still not able to close this pit.

**I am asking for a 4 month extension for the closer of this pit until December 31, 2008.**

If you would have a question, please feel free to give me a call at 620-275-2963.

Sincerely,

Nancy E. Davis
