RE: LEASE: SCHABEN 2-24
LEGAL: 2100'FSL-920'FEL 24-19S-22W
COUNTY: NESS
API NO: 15135245780000

Dear Ms. Davis:

This letter is to inform you that you have been granted an extension of time in which to close the drilling pits associated with the drilling of the Schaben 2-24 well.

The original 365 days for closure expired January 13, 2008. This extension will expire December 15, 2008. We urge you to make every effort to close these pits within this time frame. In the event there is water standing in these pits, please dewater and dispose of fluids in an authorized disposal facility to expedite closure. Extension of this time frame automatically extends the time period for filing the Closure of Surface Pit form.

Failure to close the pit or request an additional extension prior to the expiration date may result in a fine in accordance with K.A.R. 82-3-602(c). An additional extension will only be granted for good cause and after K.C.C. field staff has made an inspection of the site. Should field staff discover that said pit has been closed before the date of extension request, an administrative penalty may be assessed to you through K.C.C. invoice.

If you have any questions in this regard, please do not hesitate to contact Jonelle Rains at (316) 337-6226.

Very sincerely yours,

Doug Louis
Director

RE: Extension of Closing Drilling Pits
• Schaben 2-24 (Ness County, KS)

To Whom It May Concern:

This one must have slipped by me; the extension for the pit closure expired on July 13, 2008. I spoke with our contractor who is closing the pit and he said the pit is full of water. I believe I spoke with him Thursday, August 7, 2008. We are asking for a 4 months extension to close this pit which would be until November 13, 2008.

If you have any questions, please call me at 620-275-2963.

Sincerely,

Nancy E. Davis
Compliance Coordinator
