RE: LEASE: ELMORE 1-5
LEGAL: 120'FNL-1490'FEL 05-31S-07W
COUNTY: HARPER
API NO: 15077215550000

Dear Ms. Davis:

This letter is to inform you that you have been granted an extension of time in which to close the drilling pits associated with the drilling of the Elmore 1-5 well.

The original 365 days for closure expired July 17, 2007. This extension will expire May 16, 2008. We urge you to make every effort to close these pits within this time frame. In the event there is water standing in these pits, please dewater and dispose of fluids in an authorized disposal facility to expedite closure. Extension of this time frame automatically extends the time period for filing the Closure of Surface Pit form.

Failure to close the pit or request an additional extension prior to the expiration date may result in a fine in accordance with K.A.R. 82-3-602(c). An additional extension will only be granted for good cause and after K.C.C. field staff has made an inspection of the site. Should field staff discover that said pit has been closed before the date of extension request, an administrative penalty may be assessed to you through K.C.C. invoice.

If you have any questions in this regard, please do not hesitate to contact Jonelle Rains at (316) 337-6226.

Very sincerely yours,

Doug Louis
Director

RE: Elmore 1-5 (Harper County, KS)

- API #015-077-21,555.
- Pit Closure

Dear Barry,

Our Extension for Pit Closure expires November 17, 2007; however, this pit is still to wet to close. Kevin, our Production Supervisor, says there are ducks swimming in it. I also called the Fields & Sons and they said they have not been able to close it.

I am writing you this letter asking you for another extension of time to close this pit. Please give us another 3 months to close this pit until February 17, 2008. If you would have a question, please call me at 620-275-2963.

Sincerely,

Nancy E. Davis
Compliance Coordinator
