Dear Operator:

K.A.R. 82-3-107 provides for all completion information to be filed within 120 days of the spud date. Subsection (e) (2) of that regulation states "All rights to confidentiality shall be lost if the filings are not timely."

The above referenced well was spudded on October 29, 2008, and the ACO-1 was received on March 02, 2009 (not within the 120 days timely requirement).

Therefore, your request for an extension of one year confidential treatment of data contained within the ACO-1 filing cannot be granted at this time.

If you should have any questions, please do not hesitate to contact me at (316) 337-6200.

Sincerely,

Deanna Garrison
