In plotting the proposed location of the well, you must show:				
1) The mariner in which you are using the depicted plat by identifying section lines, i.e. 1 section, 1 section, with 8 surrounding partial sections, 4 sections, 16 sections, etc.;				
the well's location relative to the location of other wells producing from the same common source of supply in adjoining drilling units, pursuant to K.A.R. 82-3-108, 82-3-207, 82-3-312, or special orders of the Commission;				
3) the distance of the proposed drilling location from the section's east and south lines; and				
4) the distance to the nearest lease or unit boundary line.				
I hereby certify that the statements made herein are true and to the best of my knowledge and belief. Signature of Operator or Agent				
Date 6-12-90 title President
