March 28, 1944.

State Corporation Commission.  
800 Bitting Building.  
Wichita, Kansas.

Dear Sir:-

I am sending you herewith the following:

- (1) Well plugging application.
- (2) Plugging instructions as given by C.T.Alexander.
- (3) A certified copy of the well log.
- (4) A certified well plugging record.

I have been quite late in getting this data in to you. This is caused by the fact that Bay Petroleum Corporation plugged the well and pulled the pipe, but Mr. Craig of Bay was under the impression that J.M.Huber Corporation as Drilling Contractor would file required forms with the Corporation Commission. I finally ascertained yesterday that neither one of us had complied with the Corporation Commissions requirements as to records. I trust that the accompanying forms will satisfy the requirements of the Corporation Commission.

Sincerely yours.

J.M.HUBER CORPORATION.
