Surface Owner Information:

Name: Virgil Gatton
Address 1: 1105 NE 110th Avenue
Address 2: _____
City: Stafford State: KS Zip: 67578 + _____

When filing a Form T-1 involving multiple surface owners, attach an additional sheet listing all of the information to the left for each surface owner. Surface owner information can be found in the records of the register of deeds for the county, and in the real estate property tax records of the county treasurer.

If this form is being submitted with a Form C-1 (Intent) or CB-1 (Cathodic Protection Borehole Intent), you must supply the surface owners and the KCC with a plat showing the predicted locations of lease roads, tank batteries, pipelines, and electrical lines. The locations shown on the plat are preliminary non-binding estimates. The locations may be entered on the Form C-1 plat, Form CB-1 plat, or a separate plat may be submitted.

Select one of the following:

I certify that, pursuant to the Kansas Surface Owner Notice Act (House Bill 2032), I have provided the following to the surface owner(s) of the land upon which the subject well is or will be located: 1) a copy of the Form C-1, Form CB-1, Form T-1, or Form CP-1 that I am filing in connection with this form; 2) if the form being filed is a Form C-1 or Form CB-1, the plat(s) required by this form; and 3) my operator name, address, phone number, fax, and email address.

I have not provided this information to the surface owner(s). I acknowledge that, because I have not provided this information, the KCC will be required to send this information to the surface owner(s). To mitigate the additional cost of the KCC performing this task, I acknowledge that I am being charged a \$30.00 handling fee, payable to the KCC, which is enclosed with this form.

If choosing the second option, submit payment of the \$30.00 handling fee with this form. If the fee is not received with this form, the KSONA-1 form and the associated Form C-1, Form CB-1, Form T-1, or Form CP-1 will be returned.

I hereby certify that the statements made herein are true and correct to the best of my knowledge and belief.

RE: CP-1 form
Lease Name: William Spangenberg 2 29-22S-11W Stafford Cty.
API No. 15-185-02070-0001

Dear Operator:

The enclosed **Well Plugging Application (CP-1)**, received August 2, 2010, is incomplete due to non-compliance with the Kansas Surface Owner Notification Act (KSONA). This form cannot be processed without the following corrections:

In order to comply with the Kansas Surface Owner Notification Act (KSONA), a KSONA-1 form must be completed and mailed with a copy of the CP-1 to the surface owner even though this well was already plugged on 8/19/10. You must provide the ORIGINAL KSONA-1 form, along with the corrected ORIGINAL CP-1 form, to our office.

Have you considered utilizing our **on-line reporting system, KOLAR**, to file your forms? Some of the many advantages gained by filing your CP-1s and CP-4s via **KOLAR** are: quicker submission (many fields are auto-fill saving you time), less paper, ease of corrections, quicker communication with us, *much faster* turn-around times (for instance, CP-1s and CP-4s are usually *approved within one to two days if submitted by 2:00 P.M. and do not require library research*). Please contact Amy Banks in our IT department at (316) 337-6219 to complete the quick sign up necessary to begin benefiting from **KOLAR**.

Please make all of the above-referenced corrections and **then return the ORIGINAL CP-1 and KSONA-1 forms, along with a copy of this letter, to my attention by October 2, 2010**. Please contact me at (316) 337-6108 if you have any questions.

Sincerely,
