uctions:	All active gas wells must have at least an original G-2 form on file with the conservation division. If a gas well r								
	the eligibility criteria set out in KCC regulation K.A.R. 82-3-304, the operator may complete the statement pro								
	above in order to obtain a testing exemption.								
,	At some point during the succeeding calendar year, wellhead shut-in pressure shall be measured after a min								
 	the eligibility criteria set out in KCC regulation K.A.R. 82-3-304, the operator may complete the statement prabove in order to obtain a testing exemption.								

The G-2 form conveying the newest shut-in pressure reading shall be filed with the Wichita office no later than thirty (30) days after the taking of the pressure reading. The form must be signed and dated on the front side as though it was a verified report of test results.

Shut-in pressure shall thereafter be reported yearly in the same manner.
