RE: Form T-1 for two leases
Form CP-1 for two wells

Dear Sir or Madam:

My company, Verde Operating Company (#32523) is purchasing some leases and wells from Tornado Energy Partners, LLC (#34326). Two T-1's are enclosed for the two leases. I believe all the paperwork is completed. I sent in an ACO-1 for The O'Brien TEP-3 last week and have enclosed a copy in case it has not been processed yet.

I have also enclosed a CP-1 to plug a well on the Harris lease and a well on the O'Brien lease. If possible could you expedite the CP-1's as the ground is pretty dry and the landowners would like the wells plugged while the ground is dry if possible.

I thank you very much for your assistance. Please call the above number or contact me by email if you have any questions or need to send me anything.

Sincerely,

Lawrence A. Weis
Verde Operating Company, President

Dear Operator:

This letter is to notify you that the Conservation Division has received your plugging proposal, form CP-1, for the above well and has reviewed the proposal for completeness. The central office will now forward your CP-1 to the district office listed below for review of the proposed plugging method. **Please contact the district office for approval of your proposed plugging method at least five (5) days before plugging the well, pursuant to K.A.R. 82-3-113(b). If a workover pit will be used during the plugging of the well it must be permitted. A CDP-1 form must be filed and approved prior to the use of the pit in accordance with K.A.R. 82-3-600.**

The Conservation Division's review of form CP-1, either in the central or district office, does not include an inquiry into well ownership or the filing operator's legal right to plug the well. This notice in no way constitutes authorization to plug the above well by persons not having legal rights of ownership or interest in the well.

This notice is void after May 30, 2011. The CP-1 filing does not bring the above well into compliance with K.A.R. 82-3-111 with regard to the Commission's temporary abandonment requirements.

Sincerely,

Steve Bond
