Dear Steve:

As we discussed by phone, I will set forth in writing our verbal agreement to reclaim the pit used in the drilling of the Dahlsten #1 well, API # 11321330. Since this pit has the ability to retain water and sustain plant and animal life and you as the landowner agree that it would be suited to the conversion of a stock pond.

This agreement was made and entered into this 19th day of October 2010, by and between BOPC West, LLC (hereinafter called "Buckeye") and Carol L. Schroeder-Dahlsten (hereinafter referred to as "Dahlsten").

Buckeye agrees to re-claim the pit used in drilling the Dahlsten #1 well to a usable pond and Dahlsten as landowner agrees to accept this pond as such.
Dahlsten further agrees that this pond completes all reclamation from the drilling of the Dahlsten #1 well.

Respectfully,

Carol L. Schroeder-Dahlsten
