API # 15-163-23803-00-00

Dear Sir or Madam:

This letter is to inform you that you have been granted an additional extension of time in which to close the drilling pits associated with the drilling of the Dean Lesage 2 well.

The original 365 days for closure expired on 06/28/2010. This extension will expire 12/28/2010. We urge you to make every effort to close these pits within this time frame. In the event there is water standing in these pits, please dewater and dispose of fluids in an authorized disposal facility to expedite closure. Extension of this time frame automatically extends the time period for filing the closure of surface pit form.

Failure to close the pit or request an additional extension prior to the expiration date may result in a fine in accordance with K.A.R. 82-3-602(a). An additional extension will only be granted for good cause and after K.C.C. field staff has made an inspection of the site. Should field staff discover that said pit has been closed before the date of extension request, an administrative penalty may be assessed to you through K.C.C. invoice.

If you have any questions in this regard, please do not hesitate to contact Kathy Haynes at (316) 337-6243.

Very sincerely yours,

Doug Louis

RE: Drilling Pit for Dean Lesage #2, API#15-163-23803-0000, NE SW NE of Section 6-
Township 7 South-Range 20 West, Rooks County, Kansas

Dear Kathy,

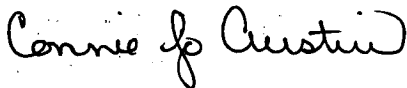

I am writing to request a Pit Closure Extension for the above referenced well. Spud Date was May 28, 2010, and completion date was July 20, 2009. Dan's Dirt Works is the contractor for back filling the drilling pit, he has tried to fill in the pit, but due to an excessive amount of rain, he has been unable to complete the job as of yet. We are in contact with him on a regular basis and he is trying to complete this job. He will finish filling in the pit as soon as conditions permit him to do so.

Therefore, I am requesting a Pit Closure Extension of the Dean Lesage #2 drilling pit.

Thank you for your time in the matter. If you have any questions, please call at 785-434-2286, Monday thru Friday.

Thanks and have a great day.

Sincerely,

Connie Jo Austin
