Dear Operator:

The enclosed incomplete CP-4 form, received January 10, 2011, is being returned to you for correction(s). This form cannot be processed due to the following problem(s):

The current version of the CP-4 form, dated March 2009, must be used. A blank CP-4 form is enclosed for your use. You may also download this form at our website: www.kcc.state.ks.us, then select 'Oil and Gas', then 'Forms'.

Have you considered utilizing our on-line reporting system, KOLAR, to file your forms? Some of the advantages gained by filing your CP-1s and CP-4s via KOLAR are: quicker submission (many fields are auto-fill), less paper, ease of corrections, quicker communication with us, much faster turn-around times. Please contact Amy Banks in our IT department at (316) 337-6219 to complete the quick sign up necessary to begin benefiting from KOLAR.

Please make all of the above-referenced corrections and then return the NEW ORIGINAL CP-4, along with a copy of this letter, to my attention. This information must be submitted by February 9, 2011. Please contact me at (316) 337-6108 if you have any questions.

Sincerely,

Marjorie (Maggie) Marcotte
