RE: Abandoned Well, Ellis County  
NE-NE-NE Sec. 11, T13, R18W  
Sophie Dreiling lease

Gentlemen:

Kansas Statutes Annotated 55-128 states that when operations cease for ninety (90) days on any well the owner/operator must request of the Kansas Corporation Commission within that ninety (90) day period that Temporary Abandonment status be granted for the well. If T/A is not requested within ninety (90) days the well is classified as a permanently abandoned well and must be plugged immediately.

According to our records the above captioned well has been abandoned for longer than ninety (90) days and there is no record of your having requested T/A status for this well. The Kansas Corporation Commission therefore insists that the above captioned well be plugged. Please advise us within 30 days of your specific plans for plugging this well.

If this well is not plugged or arrangements made to do so within a reasonable time, this matter will be turned over to the Kansas Corporation Legal Counsel to pursue legal action.

For plugging instructions contact: Gilbert Scheck  
2200 Canterbury Rd.  
Hays, Kansas 67601

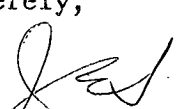

Phone: (913) 625-7400

If no answer call 1-800-362-1358.

Plugging of this well is to be witnessed and/or approved by KCC Field Staff.

Your cooperation in this matter will be greatly appreciated.

Sincerely,

  
JIM SCHOOF, PE  
HYDROLOGIST/ENGINEER
