Dear Sir or Madam:

This letter is written to inform you that you have been granted an extension of time in which to close the workover pit associated with the Bird lease.

This extension will expire on April 02, 2010. I urge you to make every effort to close this pit within this time frame. Extension of this time frame automatically extends the time period for filing the surface pond closure form.

If you have any questions in this regard, please do not hesitate to contact Kathy Haynes at (316) 337-6243.

Sincerely,

RE: Bird #2 Work Over Pit
Sec 13-22-18W
Pawnee County, KS
API: 151-45-20272

Dear Kansas Corp Commission,

Please accept this letter as a request for an extension on the work-over pit at the Bird #2 lease. We have recently done a work-over on the well and it appears that the squeeze job we performed is not going to hold and we are going to perform another squeeze job in the near future. We currently have a rig in the area working on all wells and are moving towards pressure testing again soon. Please feel free to contact me at 620-672-9001 with any questions you may have.

Thank you,

Kevin Fischer
