Pit Closure Extension

Dear Kathy,

I am writing to request another Pit Closure Extension on the above referenced well. the pit was supposed to be filled in by March 5, 2010, the date of the 1<sup>st</sup> extension which was gratefully granted.

We have been trying to keep the pit emptied so it will dry enough to close it, but Mother Nature keeps giving us more moisture, so we have not been able to close this pit yet.

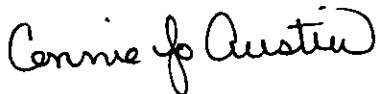

I also apologize for this request not being sent before April 1<sup>st</sup>, be we were hoping to be able to close the pit prior to April 1<sup>st</sup>.

Therefore, I am again requesting for another Pit Closure Extension. We are trying to stay on top of this and would like to get it closed as soon as possible.

Thank you for time on this matter. If you have any questions, please call at 785-434-2286 Monday thru Friday.

Thank you and have a nice day.

Sincerely,

Connie Jo Austin  
Agent for Bowman Oil Company

As I was walking down the street one day  
A man came up to me and asked me what the time was that was on my watch...  
And I said....  
Does anybody really know what time it is...does anybody really care.

Name of song...and group...

Oh..by the way...give them another extension...make it to the end of July.  
Should get enough hot weather by that time to dry the pit out.

Have a good day!  
Bruce
