RE: Pit Extension

Dear Ms. Haynes,

I am writing in regards to your letter of March 1, 2010. We have decided to plug the #1 Leiker well and have filed a plugging application. We will need this pit to use for plugging. Can we please have one more extension until we get this well plugged, which should be within the next six months? Thank you very much.

Sincerely,

RE: Closure of Work over pit  
Leiker #1  
Sec. 18-15S-17W  
Ellis Co., KS

Dear Ms. Haynes,

We would like to file for an extension on filling the work over pit on the above captioned well. The work over did not produce the results that we had anticipated. Currently we are trying to determine whether to plug this well or to attempt a second work over. Either way, we will need this pit again.

Thank you for your consideration.

Sincerely,
