Lease Name: _____		Sec. 22 Twp. 23S R. 6 <input type="checkbox"/> East <input checked="" type="checkbox"/> West	
Docket No./API No.: _____		County: Reno	
Comments: <p style="text-align: center;">This well was drilled with straight brine from the Morton Salt Plant. When drilling was completed, the brine along with the cuttings were returned to the plant and added to the plant disposal system to be injected into the caverns. The brine circulates through the caverns and is used for salt production while the solids settle out in the cavern.</p>
