Gentlemen:

We are enclosing log on the Tressin dry hole which we drilled in the Northeast corner of the Southeast Quarter of the Southwest Quarter of Section 9, Township 16, Range 1 West, Saline County. We sent you the Abandonment Report on this test and at the time we failed to send you the log.

We are also enclosing a log on the Duerksen dry hole which we drilled in the Center of the West Half of the Northeast Quarter of the Northeast Quarter of Section 29, Township 19, Range 1 East, Marion County. We did, sometime ago, send you the Abandonment Report and also a log, but the log we sent did not show the different tops and we wish to substitute the enclosed log for the one we sent you.

Yours very truly,

THE WOLF CREEK OIL COMPANY

Alven H. Bell, Treasurer.
