Dear Sir or Madam:

This letter is written to inform you that you have been granted an additional extension of time in which to close the haul off pit associated with the Bensch 1 lease.

This extension will expire on July 17, 2011. I urge you to make every effort to close this pit within this time frame. Extension of this time frame automatically extends the time period for filing the surface pond closure form.

Sincerely,

Doug Louis

Subject: RE: ADDITIONAL PIT EXTENSION HAUL OFF PIT LEBSACK OIL BENSCH RICE CTY

Kathy, Dan Fox our compliance officer has the penalty recommendation on this one for failure to request extension and have pit closed within prescribed time-line. 1st extension expired. !! NOW that Lebsack has requested an extension after the fact has NO bearing on my already recommended fine recommendation. The extension till 7-2011 is alright with me. Thanks, Virgil

Kathy, It's fine with me to grant an extension for pit closure on this one. I've already turned it in for penalty. VC

Re: Closure of pit on Bensch lease, Sec. 34-T20-R10W
API 1515922595

Dear Doug:

We are responding to a letter from Kathy Haynes dated December 2, 2010 (copy enclosed). Previously, we had requested an extension of this pit closure to July 17, 2011 (copy enclosed), but were only granted such extension until October 17, 2010. As such, we formally request an extension of time for closure of the referenced pit to July 17, 2011. The reason for this extension request is the pit can serve planned drill sites (offsetting the Bensch No. 1) which will be in water sensitive areas. These wells will be drilled in 2011.

Sincerely,

Wayne Lebsack, President
