NE/4 Sec. 22-19S-11W
Barton County, Kansas

Dear Sir or Madam:

According to our files we do not have an application for the above referenced workover pit, district staff gave verbal approval on 02/22/2007. According to K.A.R. 82-600(b) workover pits may be permitted through verbal authorization from the appropriate district office subject to the filing of a surface pond application within five days after the verbal authorization.

Conservation division forms are available through our office and on the KCC web site: www.kcc.state.ks.us/conservation/forms.
