Date of closure: 5-20-2011

Was an artificial liner used?  Yes     No

If no, how were the sides and bottom sealed to prevent downward migration of the pit contents?

Abandonment procedure of pit:

Contents of the pit were totally dry. The liner was removed. The pit was back-filled with original rocky soil. A truck load of dark, fertile soil was spread over the pit to encourage a return to native grass.

The undersigned hereby certifies that he / she is \_\_\_\_\_ vice president \_\_\_\_\_ for Double "K" Oil, Inc (Co.), a duly authorized agent, that all information shown hereon is true and correct to the best of his /her knowledge and belief.
