KCC WICHITA

l declare u	nder penalty of perjury under the laws of the State of Kansas that I am authorized to request						
exempt status under Rule K.A.R. 82-3-304 on behalf of the operator LINN OPERATING, INC.							
and that the foregoing information and statements contained in this application form are true and							
correct to the best of my knowledge and belief based upon available production summaries and lease records							
of equipment installation and/or upon type of completion or upon use being made of the gas well herein named.							
I hereby request a one-year exemption from open flow testing for the HCU 3121							
gas well on the grounds that said well:							
(Cho	eck one)						
is a	coalbed methane producer						
is cy	ycled on plunger lift due to water						
is a	source of natural gas for injection into an oil reservoir undergoing ER						
is or	n vacuum at the present time; KCC approval Docket No.						
X is in	capable of producing at a daily rate in excess of 250 mcf/D						
I further agree to supply to the best of my ability any and all supporting documents deemed by Commission staff as necessary to corroborate this claim for exemption from testing.							
Date: 11/	/9/2011						
	Signature: L. D. Bandarely						
	Title: Regulatory Specialist						

Instructions:

If a gas well meets one of the eligibility criteria set out in KCC regulation K.A.R. 82-3-304, the operator may complete the statement provided above in order to obtain exempt status for the gas well.

At some point during the succeeding calendar year, wellhead shut-in pressure shall have been measued after a minimum of 24 hours shut-in/buildup time and shall be reported on the front side of this form under OBSERVED SURFACE DATA. Shut-in pressure shall thereafter be reported yearly in the same manner for so long as the gas well continues to meet the eligibility criterion or until the claim of eligibility from exemption IS denied.

The G-2 form conveying the newest shut-in pressure reading shall be filed with the Wichita office no later than December 31 of the year for which it's intended to acquire exempt status for the subject well. The form must be signed and dated on the front side as though it was a verified report of annual test results. it was a verified report of test results.
