BARTON COUNTY, KANSAS

Dear Operator:

This letter is to notify you that the Conservation Division has received your plugging proposal, form CP-1, for the above well and has reviewed the proposal for completeness. The central office will now forward your CP-1 to the district office listed below for review of the proposed plugging method. **Please contact the district office for approval of your proposed plugging method at least five (5) days before plugging the well, pursuant to K.A.R. 82-3-113(b). If a workover pit will be used during the plugging of the well it must be permitted. A CDP-1 form must be filed and approved prior to the use of the pit in accordance with K.A.R. 82-3-600.**

The Conservation Division's review of form CP-1, either in the central or district office, does not include an inquiry into well ownership or the filing operator's legal right to plug the well. This notice in no way constitutes authorization to plug the above well by persons not having legal rights of ownership or interest in the well.

This notice is void after August 5, 2012. The CP-1 filing does not bring the above well into compliance with K.A.R. 82-3-111 with regard to the Commission's temporary abandonment requirements.

Sincerely,

Steve Bond

API No.: 15-009-22913-0000

Dear Operator:

The enclosed **Well Plugging Application forms (CP-1 and KSONA-1)** , received January 26, 2012, are incomplete due to non-compliance with the Kansas Surface Owner Notification Act (KSONA). These forms cannot be processed without the following corrections:

A certification statement was not selected (see highlighted areas) on the KSONA-1 form. You must mark the applicable statement, either that you ***did*** notify the Surface Owner or that you ***did not*** notify the Surface Owner. Place your initials and the date beside your change. You must also cross out your previous signature and date of 1/24/12 at the bottom of this form, then re-sign and re-date the KSONA-1 form.

Please note that if you ***did not*** notify the Surface Owner and elect for KCC to send out this notification, then you must enclose a *check in the amount of \$30.00* to cover the processing fee.

Please make all of the above-referenced corrections and then return the **CORRECTED, ORIGINAL CP-1 and KSONA-1 forms**, along with a copy of this letter, to my attention by
