Re: API# 15-207-27798-0000
Nordmeyer 31-11

Dear Ms. Garrison:

Enclosed please find an original and two copies of an ACO-1 for the Nordmeyer 31-11 well and a copy of the plugging from District #3. The drilling company, Rig 6, #30567, made a mistake when drilling this well. They called in the plug and took full responsibility. They did not charge us for any drilling or cement used; so, we do not have a drillers log or cement tickets. We presume they provided proof of cementing when the plugging report was completed.

Please let us know if additional information is still needed.

Sincerely,

~~Brenda L. Morris~~
