RE: Kansas Surface Owners Notification Act

Lease Name: AMBLER Well No.: 5

API: 15-015-19141-0001

Location: 2-28S-4E, SENENENW, BUTLER CTY

Dear Mr. Chappell:

The 2009 Legislature passed *House Bill 2032*, known as the *Kansas Surface Owners Notice Act*. This Act requires the KCC to provide copies of drilling intents, operator transfers and well plugging applications to the surface owner if they are not provided by the lease operator. The *Operator of Record* has advised us that they have not provided you with a copy of the attached Well Plugging Application (CP-1) and Certification of Compliance with the Kansas Surface Owner Notification Act (KSONA-1) forms. Therefore, this letter and the attached forms shall serve as notice of the operator's action(s) in relation to the above-referenced well.

You do not need to respond to the KCC. Please contact the operator listed on these forms if you have any questions.

Very truly yours,

Steve Bond

Steve Bond

Production Department Supervisor

NOTICE OF RECEIPT OF WELL PLUGGING APPLICATION (CP-1)

GILES, BENJAMIN M. 346 S. LULU WICHITA, KS 67211 February 23, 2012

Re: AMBLER #5

API 15-015-19141-00-01 2-28S-4E, 4685 FSL 2954 FEL BUTLER COUNTY, KANSAS

Dear Operator:

This letter is to notify you that the Conservation Division has received your plugging proposal, form CP-1, for the above well and has reviewed the proposal for completeness. The central office will now forward your CP-1 to the district office listed below for review of the proposed plugging method. Please contact the district office for approval of your proposed plugging method at least five (5) days before plugging the well, pursuant to K.A.R. 82-3-113(b). If a workover pit will be used during the plugging of the well it must be permitted. A CDP-1 form must be filed and approved prior to the use of the pit in accordance with K.A.R. 82-3-600.

The Conservation Division's review of form CP-1, either in the central or district office, does not include an inquiry into well ownership or the filing operator's legal right to plug the well. This notice in no way constitutes authorization to plug the above well by persons not having legal rights of ownership or interest in the well.

This notice is void after August 21, 2012. The CP-1 filing does not bring the above well into compliance with K.A.R. 82-3-111 with regard to the Commission's temporary abandonment requirements.

Sincerely,

Steve Bond

Steve Bond

Production Department Supervisor
