RE: Publication Records for Vicki Jo Commingling Application

Dear Sir:

Enclosed you will find copies of publication notices where Hart Energies LLC published legal notice of its intent to file for a commingling application for production of the Vicki Jo well.

The originals were filed with your office back in January 2012, so we are filing copies of the publications that we presently have in our file.

You will find a copy of the affidavit of publication in The Anthony Republican on December 14, 2011, also a copy of the publication in the Harper County Herald on December 12, 2011. The Wichita Eagle would only send us a copy of the affidavit that they gave us on 12/23/11 so I am sending that copy which we received by fax as the evidence of our publication of the notice. You will note that we published in three different papers.

We hope that this will suffice for your files as to the compliance of Hart Energies LLC in its requirement to give public notice of its intent to commingle production in its Vicki Jo well.

Sincerely,

William G. Hart, Member
Hart Energies LLC

RE: Commingling Application for Vicki Jo #1 API No. 15-077-21738-00-00

Dear Mr. Hart,

You filed your application for commingling for the referenced well on December 12, 2011. We have sent two reminder letters that we cannot process the application until the newspaper publication affidavits are furnished. To date we have not received the affidavits.

This is your final notice, if the affidavits are not provided within 30 days your application will be dismissed. The Vicki Jo #1 well will then be in violation of Commission regulations and is subject to being shut-in and monetary penalties issued against you as the well operator.

If you have any questions, please contact me.

Yours Very Truly,

John McCannon

RE: Approved Commingling CO051207
Vicki Jo #1, Sec.29-T31S-R9W, Harper County
API No. 15-077-21738-00-00

Dear Mr. Hart:

Your Application for Commingling (ACO-4) for the above described well has been reviewed and approved by the Kansas Corporation Commission (KCC) per K.A.R. 82-3-123. Notice was examined and found to be proper per K.A.R. 82-3-135a. No protest had been filed within the 15-day protest period. This application, which was received by the KCC on May 18, 2012, concerns approval to simultaneously produce from the following sources of supply through the same tubing string in the same wellbore:

Source of Supply	Estimated Current Production			Perf Depth
	BOPD	MCFPD	BWPD	
Mississippian	2	5	20	4464-4472
Viola	3	5	30	4742-4748
Total Estimated Current Production	5	10	50	

Based upon the depth of the Mississippian formation perforations, total oil production shall not exceed 200 BOPD and total gas production shall not exceed 50% of the absolute open flow (AOF).

Commingling ID number CO051207 has been assigned to this approved application. Use this number for well completion reports (ACO-1) and other correspondence that may concern this approved commingling.

Sincerely,

Rick Hestermann
Production Department
