Re: Swanson OWWO SWD #2
API # 15-15-155-00007-00-01

Dear Mr. Hestermann:

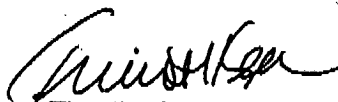

Our office represents L. D. Drilling, Inc., the operator of the above described well.

We are writing to inform you that in keeping with the provisions of the approved Intent to Drill, Hutchinson Salt Company was notified that L. D. Drilling, Inc., would be re-entering the well. I spoke with Max Liby of Hutchinson Salt Company earlier today and also Faxed him a letter informing him that L. D. Drilling, Inc., would be drilling this well. When I spoke with Mr. Liby by phone, he told me he was already aware that Mr. Davis would be moving onto the location. We understand that the landowners, the members of the Swanson family, had some contact with the salt company in the last 7 to 10 days, informing them of the plans to wash down this old well.

If something further is needed in order to satisfy the requirement of notice to the Hutchinson Salt Company, we ask that you contact our office.

Very truly yours,

KEENAN LAW FIRM, P.A.
