API No.: 15-009-20287-0000**

Dear Operator:

The enclosed **Well Plugging Application forms (CP-1 and KSONA-1)**, received June 11, 2012, are incomplete due to non-compliance with the Kansas Surface Owner Notification Act (KSONA). These forms cannot be processed without the following corrections:

In order to comply with the Kansas Surface Owner Notification Act (KSONA), a separate KSONA-1 form must be completed for each Surface Owner for the above-referenced well. Please complete a KSONA-1 form for the other two Surface Owners identified on the sheet that was attached to the CP-1 application.

Please make all of the above-referenced corrections and then return the **CORRECTED, ORIGINAL CP-1 and KSONA-1 forms**, along with a copy of this letter, to my attention by **July 2, 2012**. Please contact me directly at (316) 337-6108 if you have any questions.

BARTON COUNTY, KANSAS

Dear Operator:

This letter is to notify you that the Conservation Division has received your plugging proposal, form CP-1, for the above well and has reviewed the proposal for completeness. The central office will now forward your CP-1 to the district office listed below for review of the proposed plugging method. **Please contact the district office for approval of your proposed plugging method at least five (5) days before plugging the well, pursuant to K.A.R. 82-3-113(b). If a workover pit will be used during the plugging of the well it must be permitted. A CDP-1 form must be filed and approved prior to the use of the pit in accordance with K.A.R. 82-3-600.**

The Conservation Division's review of form CP-1, either in the central or district office, does not include an inquiry into well ownership or the filing operator's legal right to plug the well. This notice in no way constitutes authorization to plug the above well by persons not having legal rights of ownership or interest in the well.

This notice is void after December 22, 2012. The CP-1 filing does not bring the above well into compliance with K.A.R. 82-3-111 with regard to the Commission's temporary abandonment requirements.

Sincerely,

Steve Bond
