Dear Operator:

The enclosed **Well Plugging Application forms (CP-1 and KSONA-1)**, received August 22, 2012, are incomplete due to non-compliance with the Kansas Surface Owner Notification Act (KSONA). These forms cannot be processed without the following corrections:

**No election was made designating whether the operator of record has notified Surface Owner(s) or whether operator is designating KCC to notify operator(s) (see highlighted area).** In order to comply with the Kansas Surface Owner Notification Act (KSONA), one of the highlighted fields must be completed on the KSONA-1 form even though the well has already been plugged. Additionally, you will need to line through the previous signature and date signed on the KSONA-1 form and re-sign and re-date it. This is required in order to meet our legal staff's minimum guidelines in order to approve your well plugging application.

Please make all of the above-referenced corrections and then return the **CORRECTED, ORIGINAL CP-1 and KSONA-1 forms, along with a copy of this letter, to my attention by September 7, 2012.** Please contact me directly at (316) 337-6108 if you have any questions or need further assistance.

Sincerely,

Marjorie (Maggie) Marcotte
