Jeff Klock
authorized signature

The authority to plug this well does not supersede K.S.A. 55-151 but is in agreement with K.S.A. 55- which states in part that the Conservation Division shall protect and prevent the waste of fresh and usable water and correlative rights. The approval to plug this well does not include an inquiry into well ownership or the requesting operator's legal right to plug the well. This approval in no way constitutes authorization to plug the above well by persons not having legal rights of ownership or interest in the well.
