**CONDITIONS**  
Concrete to be delivered to the nearest accessible point over passable road, under truck's own power. Due to delivery of concrete in intermediary situation, seller assumes no responsibility for damage to any property in receiving, unloading, or placing concrete. The maximum amount for unloading shall be 2.00 per yard. A charge will be made for handling more concrete. The purchaser contracts under these conditions by making an order and payment. We do not assume responsibility for strength and other matter to meet or exceed the purchaser's needs.  
**NOTICE TO DRIVER**  
Failure of this contract to pay those persons performing material or services to complete this contract may result in the filing of a mechanic's lien on the property which is the subject of this contract.
