Re: Waste Transfer Form Work over/Haul-off pit

Holzhauer B 5 lease

API No. 15065032910001

Dear Madam:

Concerning the work over pit mentioned above. I called several months ago, in March 2010 I believe, concerning this pit. We have not dug the pit so there is nothing to haul off or cover. I realize when we do work over the well, we will have to apply for a pit again.

Thank you for your time and I hope this resolves this issue. If we need to do something else, please let me know.
