Surface Owner Information:

Name: GARY D EVEL
Address 1: BRI
Address 2: _____
City: UTICA State: K9 Zip: 67584 + 9802

When filing a Form T-1 involving multiple surface owners, attach an additional sheet listing all of the information to the left for each surface owner. Surface owner information can be found in the records of the register of deeds for the county, and in the real estate property tax records of the county treasurer.

If this form is being submitted with a Form C-1 (Intent) or CB-1 (Cathodic Protection Borehole Intent), you must supply the surface owners and the KCC with a plat showing the predicted locations of lease roads, tank batteries, pipelines, and electrical lines. The locations shown on the plat are preliminary non-binding estimates. The locations may be entered on the Form C-1 plat, Form CB-1 plat, or a separate plat may be submitted.

Select one of the following:

I certify that, pursuant to the Kansas Surface Owner Notice Act (House Bill 2032), I have provided the following to the surface owner(s) of the land upon which the subject well is or will be located: 1) a copy of the Form C-1, Form CB-1, Form T-1, or Form CP-1 that I am filing in connection with this form; 2) if the form being filed is a Form C-1 or Form CB-1, the plat(s) required by this form; and 3) my operator name, address, phone number, fax, and email address.

X

I have not provided this information to the surface owner(s). I acknowledge that, because I have not provided this information, the KCC will be required to send this information to the surface owner(s). To mitigate the additional cost of the KCC performing this task, I acknowledge that I am being charged a \$30.00 handling fee, payable to the KCC, which is enclosed with this form.

If choosing the second option, submit payment of the \$30.00 handling fee with this form. If the fee is not received with this form, the KSONA-1 form and the associated Form C-1, Form CB-1, Form T-1, or Form CP-1 will be returned.

**KSONA FEE
NOT PAID**

I hereby certify that the statements made herein are true and correct to the best of my knowledge and belief.

Date: 9/25/12 Signature of Operator or Agent: [Signature] Title: Owner/Operator

RE: CP-1/KSONA-1 forms

Lease Names: Evel 'A' 1 15-135-23137-0000

~~Evel 'A' 2 15-135-23137-0000~~

Evel 'A' 5 15-135-23439-0000

County: Ness 13-16S-26W

Dear Operator:

The enclosed **Well Plugging Application forms (CP-1 and KSONA-1)**, received September 13, 2012, are incomplete due to non-compliance with the Kansas Surface Owner Notification Act (KSONA). These forms cannot be processed without the following corrections:

The Surface Owner Information, to include the complete name(s) and address(es), was omitted. Although you elected for KCC to notify the Surface Owner, you are still required to provide their name(s) and address(es) on the KSONA-1 form. There is also a **\$30.00 KSONA Notification Fee** that must be paid if you elect for KCC to notify the surface owner for you. Please note that payment of the KSONA notification fee does *not* preclude your responsibility to identify the name(s) and address(es) of all of the Surface Owner(s) associated with the above-referenced well.

Please add this information to the KSONA-1 form, then initial and date beside your changes; if there is more than one Surface Owner, attach a separate piece of paper listing the applicable information for all subsequent Surface Owners. Additionally, you will need to line through your previous signature and date signed on the KSONA-1 form and re-sign and re-date it. This is required in order to meet our legal staff's minimum guidelines in order to approve your well plugging application

Please make all of the above-referenced corrections and **then return the CORRECTED, ORIGINAL CP-1, KSONA-1 form and any applicable attachments, along with a copy**

Lutz, Scott T. Trust

RE: **FINAL NOTICE OF VIOLATION - Noncompliance with Commission Order**
KCC Docket No.: 13-CONS-060-CPEN – Deadline of October 11, 2012

Operator:

KCC records indicate that you are not in compliance with the above Penalty Order and that the deadline for compliance has passed. A copy of the Penalty Order may be obtained from the KCC website or by contacting the legal department.

Because you are currently in violation of a Commission Order, all of your pending Conservation Division applications or notices of intent will be placed on hold and not approved until compliance is obtained.

This is your final warning that you must comply with the Penalty Order within 20 days. If you do not obtain compliance within 20 days and inform the KCC Legal Department, your license will be suspended without further notice and any outstanding monetary penalties will be sent to collections.

Thank you for your prompt assistance with this matter. Please feel free to call or reply with any questions or concerns.

Sincerely,

Lane R. Palmateer
Litigation Counsel

Re: KCC Docket 13-CONS-060-CPEN – Contingent Approval of Plugging Applications

Ms. Lutz,

I understand that you have submitted plugging applications for the three wells subject to this Penalty Order, which are the Evel A #1, #2, and #5. Upon a request for additions or corrections, you resubmitted the forms. The KSONA-1 forms still indicate that you are requesting the KCC send notice to the surface owner. However, we do not believe this is your intention, because you did not send \$30 for each form (\$90).

We are approving these forms, but the approval is contingent upon your mailing copies of the well plugging applications to the surface owner.

Our records indicate these wells must be plugged by October 11, 2012, pursuant to a recent warning letter. This is a firm deadline. If the wells cannot be plugged by the deadline due to the contractor's schedule, you should provide me with a letter from the contractor including anticipated date that they will plug the well. Thank you for working on reaching compliance in this matter, and please call with any concerns.

Sincerely,

Lane R. Palmateer

NOTICE OF RECEIPT OF WELL PLUGGING APPLICATION (CP-1)

LUTZ, SCOTT T. TRUST
1645 W. SUNRISE MOUNTAIN RD
PO BOX 1766
FAYETTEVILLE, AR 72702

September 26, 2012

Re: EVEL A #2
API 15-135-23159-00-00
13-16S-26W, 2310 FSL 4290 FEL
NESS COUNTY, KANSAS

Dear Operator:

This letter is to notify you that the Conservation Division has received your plugging proposal, form CP-1, for the above well and has reviewed the proposal for completeness. The central office will now forward your CP-1 to the district office listed below for review of the proposed plugging method. **Please contact the district office for approval of your proposed plugging method at least five (5) days before plugging the well, pursuant to K.A.R. 82-3-113(b). If a workover pit will be used during the plugging of the well it must be permitted. A CDP-1 form must be filed and approved prior to the use of the pit in accordance with K.A.R. 82-3-600.**

The Conservation Division's review of form CP-1, either in the central or district office, does not include an inquiry into well ownership or the filing operator's legal right to plug the well. This notice in no way constitutes authorization to plug the above well by persons not having legal rights of ownership or interest in the well.

This notice is void after March 25, 2013. The CP-1 filing does not bring the above well into compliance with K.A.R. 82-3-111 with regard to the Commission's temporary abandonment requirements.

Sincerely,

Steve Bond
Production Department Supervisor
