Re: Froetschner A #1-18
SENYSE Sec. 18-25S-21W
Ford County, Kansas
API # 15-057-20725-00-00

Dear Sir or Madam:

This letter is to inform you that you have been granted an extension of time in which to close the drilling pits associated with the Froetschner A #1-18 well.

The original 365 days for closure expired on 04/27/2012. This extension will expire 07/27/2012. We urge you to make every effort to close these pits within this time frame. In the event there is water standing in these pits, please dewater and dispose of fluids in an authorized disposal facility to expedite closure. Extension of this time frame automatically extends the time period for filing the closure of surface pit form.

Failure to close the pit or request an additional extension prior to the expiration date may result in a fine in accordance with K.A.R. 82-3-602(a). An additional extension will only be granted for good cause and after K.C.C. field staff has made an inspection of the site. Should field staff discover that said pit has been closed before the date of extension request, an administrative penalty may be assessed to you through K.C.C. invoice.

If you have any questions in this regard, please do not hesitate to contact Kathy Haynes at (316) 337-6243.

Very sincerely yours,

A handwritten signature in black ink that reads "Doug Louis". The signature is written in a cursive, flowing style.

RE: #1-18 Froetschner "A"
Sec. 18-25S-21W
Ford Co., KS
API# - 15-057-20725-0000

To Whom It May Concern:

The drilling pit on the above mentioned well is due to be filled next month, however, the landowner asked if we could wait until after the wheat harvest in June. I would like to file for an extension until July 15, 2012 to get this pit filled. Thank you very much.

Sincerely,

Glenna Lowe
