Permit No. 15-051-004110001

Dear Sir or Madam:

This letter is written to inform you that you have been granted an additional extension of time in which to close the workover pit associated with the Frisbie M #F1 well.

This extension will expire on August 1, 2011. I urge you to make every effort to close this pit within this time frame. Extension of this time frame automatically extends the time period for filing the surface pond closure form.

If you have any questions in this regard, please do not hesitate to contact Kathy Haynes at (316) 337-6243.

Sincerely,

Doug Louis  
Director

Dear Ms. Haynes,

I am writing to request an additional extension for closure of this pit. I talked with our field supervisor and there is a high probability that we will decide to plug this well. In that case, the pit will be needed.

Can we please have an extension until Aug. 1, 2011? Thank you very much.

Sincerely,

API No. 15-051-00411-0001

Dear Sir or Madam:

The workover pit on the above captioned well is due to be filled by 8/11/2009. I would like to request a six month extension on filling this pit. We are trying to determine whether to attempt another workover or plug this well.

Thank you very much.

Sincerely,

Glenna E. Lowe
