Re: Workover Pit Extension  
Popp 1 Lease  
Sec. 09-18S-13W  
Barton County, Kansas  
Permit No. 15-009-219680000

Dear Sir or Madam:

This letter is written to inform you that you have been granted an extension of time in which to close the workover pit associated with the Popp 1 lease.

This extension will expire on December 22, 2010. I urge you to make every effort to close this pit within this time frame. Extension of this time frame automatically extends the time period for filing the surface pond closure form.

If you have any questions in this regard, please do not hesitate to contact Kathy Haynes at (316) 337-6243.

Sincerely,

A handwritten signature in black ink that reads "Doug Louis". The signature is written in a cursive, flowing style.

Doug Louis

Re: POPP 1 Lease  
Pit #1500921968  
Sec. 9-18S-13W, Barton Co., Ks.

Dear Ms. Haynes:

Thank you for your letter update in reference to the above closure of work-over pit that is coming due for its completion of application dated 9/22/09.

At our request, we would like to ask the permission from the KCC and your department for an extension on the above subject pit, API No. 1500921968 located in Barton County, Kansas.

In our effort(s) to work-over the referenced Popp #1 Well we had exhausted our current funds set aside for the project and are needing additional time to retain enough funds and return to complete and finalize our work. So consequently we will still need the approved pit at such time that we may be able to continue.

Should your department through the KCC allow for this extension request, we would appreciate and most likely need the original application extended until 9/21/11.

If we can assist you in any additional manner, please contact us at your earliest convenience.

Respectfully,

William Ash  
BPI/Oper. Mgr.
