Dear Sir:

In regard to Moerman #1, NE NE NE 32-27-7W, Reno County, Kansas, you can contact Mr. J. C. Thompson through the Jaracek Supply Store of Great Bend, Kansas. Mr. Thompson pulled this well and had full charge of it including the pulling. He was also to pay for plugging. He had the Forbes Casing Pulling Company, P. O. Box 221, Great Bend, Kansas, pull the well and plug it. I contacted Mr. Thompson as well as Mr. Forbes and asked them to send me the pulling record of the well and where the casing was shot, they have not done it. If there is anything further I can do please let me know.

Very truly yours,

A handwritten signature in cursive ink that reads "J. H. Johnson".
