Attention: Mr. J. Lewis Brock, Administrator

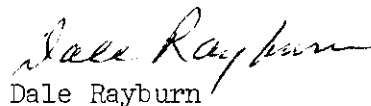

Gentlemen:

Thank you for the Well Plugging Authority, dated May 21, 1975, on our Lohrey #1, SE-SE-NE Section 34-17S-17W, Rush County.

The total depth of the well is 3582'; we washed the old Aylward Drilling Company hole down to the previous total depth. The 3852' depth shown on Form CP-1 involves an error transposing the middle digits.

Please accept our apology for this error and the inconvenience resulting from it.

Very truly yours,

Dale Rayburn
