RE: Allen County, Kansas Commingling Applications

Dear Ms. Atkins:

The KCC received your commingling application for seven (7) wells located in Allen County, Kansas. The maps attached to your applications, topographical sheet copies with no information, do not provide the information required on the ACO-4 form. Please submit plat or maps that include the subject well, other wells on the lease and all wells on the adjoining leases. Further, because you have used an affidavit stating that to the "best of your knowledge there are no offset operators within one mile of the subject well" your maps must include the boundaries of the Brower Oil and Gas leasehold and the names of the offset unleased mineral owners.

If there are any questions regarding this matter contact me at 316-337-6223 or  
[b.Petersen@kcc.state.ks.us](mailto:b.Petersen@kcc.state.ks.us)

Sincerely,

Bob Petersen
