exempt status un and that the fore correct to the be of equipment ins	are under penalty of perjury under the laws of the State of Kansas that I am authorized to request onder Rule K.A.R. 82-3-304 on behalf of the operator LINN OPERATING, INC.  going information and statements contained in this application form are true and statements of my knowledge and belief based upon available production summaries and lease records stallation and/or upon type of completion or upon use being made of the gas well herein named.  by request a one-year exemption from open flow testing for the HCU 3321
gas well on the g	grounds that said well:
•	is a coalbed methane producer is cycled on plunger lift due to water (beam unit) is a source of natural gas for injection into an oil reservoir undergoing ER is on vacuum at the present time; KCC approval Docket No. is incapable of producing at a daily rate in excess of 250 mcf/D esupply to the best of my ability any and all supporting documents deemed by Commission ry to corroborate this claim for exemption from testing.
Date:	12/26/2012
	Signature: Stacey When Title: Administrative Assistant II

## Instructions:

If a gas well meets one of the eligibility criteria set out in KCC regulation K.A.R. 82-3-304, the operator may complete the statement provided above in order to obtain exempt status for the gas well.

At some point during the succeeding calendar year, wellhead shut-in pressure shall have been measued after a minimum of 24 hours shut-in/buildup time and shall be reported on the front side of this form under **OBSERVED SURFACE DATA**. Shut-in pressure shall thereafter be reported yearly in the same manner for so long as the gas well continues to meet the eligibility criterion or until the claim of eligibility from exemption IS denied.

The G-2 form conveying the newest shut-in pressure reading shall be filed with the Wichita office no later than December 31 of the year for which it's intended to acquire exempt status for the subject well. The form must be signed and dated on the front side as though it was a verified report of annual test results. it was a verified report of test results.
