 - Operator states that he will set surface pipe at least 25 ft. below all Tertiary or unconsolidated deposits; that the minimum
depth necessary, to the best of his knowledge and belief, to protect all fresh water zones is less than 300 ft. and taking
into consideration differences in ground elevations, operator agrees to set surface pipe at this location to a depth of not less than
350' ft.

Signature of Operator

Clifford M. Smith

RULE 82-2-321. Bonding Requirement. The Commission may, at any time, on its own motion or upon complaint received from any person interested in the property to be drilled or any adjacent property, require from the owner of the lease, or the person, firm, corporation or association drilling the well, a good and sufficient bond running to the State of Kansas conditioned that said parties and their drilling operations shall comply with all rules and regulations of the Commission. Said bond shall remain in force and effect until released by the Commission.
