Re: Workover Pit Extension
Teichmann 2
Sec. 12-22S-13W
Stafford County, Kansas
Permit No. 15-185-112300000

Dear Sir or Madam:

This letter is written to inform you that you have been granted an extension of time in which to close the workover pit associated with the Teichmann lease.

This extension will expire on December 1, 2013. I urge you to make every effort to close this pit within this time frame. Extension of this time frame automatically extends the time period for filing the surface pond closure form.

If you have any questions in this regard, please do not hesitate to contact Kathy Haynes at (316) 337-6243.

Sincerely,

A handwritten signature in black ink that reads "Ryan A. Hoffman".

Re: Request for Extension
Teichmann 2
API 15-185-11230-00-00

To whom it may concern,

We are requesting a twenty (20) day extension from October 12, 2013 to get the Teichmann #2, API 15-185-11230-00-00 back into production. We have Professional Pulling Service, LLC contracted to start work on the well. They should be on location by October 9, 2013, but we do not foresee the work over being completed by October 12, 2013.

If you have any questions, please call me at 785-432-0789.

Thank you,
